The Golden Bear Touchdown Club is being formed in Upper Arlington.

Led by President Kirk Herbstreit and Vice President John Epitropoulos, the Golden Bear Touchdown Club will work to increase enthusiasm for and support of the UAHS football team.

Utilizing UAHS alumni, past and present parents of players and fans across the country, the club's goal will be to increase attendance at games and provide funding to improve and enhance the football program.

The Golden Bear Touchdown Club will host an organizational meeting on Tuesday, June 2, at 6 p.m. in the UA High School Cafeteria. The public is invited.

The Touchdown Club plans to promote the Kirk Herbstreit Varsity Football series. In a nationally televised game on ESPN at noon Saturday, Aug. 29, the Golden Bears will play against last year's defending national champions, Ft Lauderdale's St. Thomas Aquinas at Ohio Stadium.
